SUBJECT: REQUEST FOR CONTINUANCE  
LAND USE COMMISSION MEETING OF JANUARY 24, 2018  
AGENDA ITEM IV HEARING AND ACTION  
DOCKET NO. A06-770  
THE SHOPOFF GROUP DBA KULA NEI PARTNERS LLC

Dear Mr. Orodener:

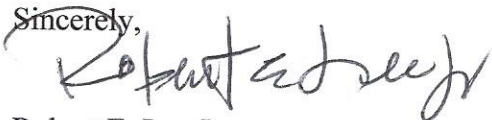

The above referenced agenda item was scheduled for the Commission's deliberation on Tuesday, January 24, 2018 at the Natural Energy Laboratory Hawai'i Authority Hale 'Iako Training Room.

This letter will confirm my email to you of January 16 and our conversation of January 17 wherein I am requesting a continuance of this agenda item in order to address requests for additional information conveyed to me by the Office of Planning (OP) and the Hawaii County Planning Department. I would like to make sure that these parties have enough information to support my request for this consideration dated December 8, 2017.

Please also be advised that Mr. Duane Kanuha, a long time friend of the Lee family who is more familiar with these proceedings will be advising and assisting me on this matter.

Thank you for your help and consideration.

Sincerely,

Robert E. Lee Jr.
